JUNIOR HIGH ACADEMY

The junior high academy is designed for all students currently enrolled in 5th thru 8th grade. The academy's purpose is to support learners in maintaining their literacy and mathematic skills throughout the summer.

The academy is designed to use a student-centered instructional approach to help students with the learning targets/standards that were not achieved.

Goals of Summer Instruction

- Develop academic skills in order to achieve personal growth.
- Provide additional preparation for students.
- Continual acceleration and enrichment in courses of study.
