

Organization

The corporate name of this school district is School Administrative District No. 59. The board, at its regular organizational meeting in July of each year, shall be organized and shall have the election of officers, as required by law.

Committee of the Whole, Standing Committees/Temporary Committees

1. The board shall always act, as a whole, and there shall be standing committees, to research and make recommendations on assigned issues. The committees shall then report back to the entire board with a recommendation, at which time the board shall make a final decision.
2. Special temporary committees shall be allowed to be appointed by the chairman or chosen by vote of the board for fact-finding, deliberative, and advisory functions only, but never to have legislative or administrative power.
3. No individual member and no group comprised of less than the full membership shall be designated as a permanent committee to perform any of the board's function except those for which state law requires signatures.
