

## Student Teachers

The school district may provide apprentice teaching opportunities for student teachers from colleges and universities.

A student teacher is defined as a teacher trainee, an observer, or an intern. The superintendent and building principal involved shall determine the number of trainees that shall be placed in the schools at any one time. Care shall be taken to see that no school or teacher is overburdened.

The responsibility for assigning and coordinating the student teacher program shall be delegated to the building principal.

Supervision by a teacher of a student teacher shall be voluntary and no teacher shall be required to supervise a student teacher.
