

Adoption of the Budget

As established by the budget calendar each year, the board shall adopt the budget for the next fiscal year subject to the state statutes.

Before adopting the budget, the board shall study the school program in relation to the present and future needs of the students; and the communities. To make the budget a comprehensive reflection of the financial needs of the school program, steps shall have been taken to involve the professional, classified, and administrative staff in its development.

After adopting the budget, the board shall set the date of the Annual District Budget Meeting. A public hearing on the budget shall be held prior to the Annual District Budget Meeting.
