

Faculty Facilities

A. Teacher facilities will be provided as follows:

1. Space in each school in which teachers may store instructional materials and supplies at the teachers' regular teaching station, if possible.
2. A work area containing equipment and supplies to aid in the preparation of instructional materials.
3. A furnished room to be used by the teachers of a school as a faculty lounge will be available, if possible.
4. A serviceable desk or table, chair, and filing cabinet at each teaching station.
5. A teachers' restroom in each school with four or more teachers.
