

Association Rights and Privileges

- A. Representatives of the Association shall be permitted to transact official Association business on school property, provided that this shall not interfere with, or interrupt normal school activities.

- B. The Association and its representatives shall have the right to use school buildings at all reasonable hours for meetings. The principal of the building in question may approve upon being notified in advance of the time and place of all such planned meetings.

- C. The Association shall have the right to use school equipment, but not supplies, when such equipment is not in use.

- D. The Association shall have the right to purchase expendable supplies and other materials from the School District. Said cost will reflect replacement costs.

- E. The association shall have the right to use a portion of the bulletin board in each faculty lounge.

- F. The association shall have the right to use the inter-school mail facilities and school mail boxes.

- G. At any staff meeting called by the Administration, the Association may be granted a period of time, the length to be determined by its own request, for a meeting with the teachers.

- H. The rights and privileges of the Association and its representatives as set forth in this Agreement shall be granted only to the Association as the exclusive representative of the teachers, and to no other teacher organizations.
