

Class Size

The Board of Directors will seek to strike a balance in class size with its ability to finance a higher level of instructional expenditures.

Class Size K - 8:

The minimum K-8 pupil/teacher ratio will be 20/1. Kindergarten will operate on a half-day schedule with the sessions operating with the ratio equaling a total of 40 students. Specialists are allocated for grades 1-8 on a ratio of one teacher to one hundred students.

Class Size 9 -12:

The minimum 9-12 pupil/teacher ratio is 18/1.

The date used to figure a school's allocation of staff, for the next year will be made by using the October 1st enrollment of the current school year and projecting the enrollment for the next school year.
