

Admission

Each school principal is responsible for verifying each applicant's eligibility for admission to school according to the following criteria and procedure:

1. Initial entrance into kindergarten or first grade shall be according to statute and regulations of the state department of education.
2. Residence shall be established at time of admission, and annually thereafter, by recording.
 - a. legal home address of parents who live together, or
 - b. legal home address of father, surviving parent, or guardian, or
 - c. legal home address of divorced parent, or other adult, who has custody of child. Check court order or decree.
 - d. legal address in case of emancipated child. Confirm existence of valid evidence of emancipation claimed by any child residing in district whose parent(s) reside elsewhere.
