

RSU 59/MSAD 59 Student Substance Abuse Policy

The RSU 59/MSAD 59 School District recognizes that illegal drug, tobacco and alcohol use and abuse are harmful to the individual and too prevalent in today's society. It is the District's philosophy to educate students about the detrimental effects of alcohol and drug use and abuse and to deter the use and possession of alcohol and drugs. The purpose of this policy is to outline and define consequences for students who violate Board policies and school rules concerning alcohol, tobacco, and other drugs.

I. PROHIBITED CONDUCT, SUBSTANCES

Students, staff, parents, and visitors (refer to policy GBEC) are prohibited from consuming, possessing, furnishing, selling, receiving, buying, manufacturing or being under the influence of prohibited substances before, during and after school hours, at school, in any school building, in any vehicle on school property, on any school premises, in any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities, off school property at any school-sponsored or school-approved activity, event or function (such as a field trip or athletic event) where students are under the jurisdiction of the school unit, or at any time or place if the conduct directly interferes with the operation, discipline or welfare of the schools.

RSU 59/MSAD 59 prohibits pro-ATOD (Alcohol, Tobacco, and Other Drugs) messaging and advertising in school buildings, at school functions, and in school publications. This includes prohibiting ATOD advertising on clothes such as t-shirts or hats, worn to school or school sponsored activities.

The term "prohibited substance" shall include, but not be limited to:

II. PREVENTION AND TREATMENT - Refer to Policy JHAMA

MSAD 59 school district will provide students with education focused on abstaining from the use of alcohol and drugs. Such education will address the legal, social and health consequences of drug and alcohol use and will provide information about effective techniques for resisting peer pressure to use illicit drugs and alcohol. MSAD 59 schools will work in partnership with students, parents/guardians and local law enforcement officials to reduce these risks for students.

III. CONSEQUENCES

The consequences of the terms of this policy include sufficient grounds for student discipline, including suspension or expulsion from school, at the appropriate discretion of the administration and the Board. Law enforcement authorities shall also be notified of violations of this policy. Because participation in athletics and co-curricular activities is a privilege, students who participate in athletics or co-curricular activities and who violate this policy are subject to additional rules and sanctions. (See Section III)

The school procedures that follow are intended as guidelines. The administration reserves the discretion to impose consequences for any violation of this policy up to and including a recommendation for expulsion. The offenses and subsequent disciplinary procedures described in this policy shall be cumulative throughout the student's years in the RSU 59/MSAD 59 School District.
