

## Gifts & Bequests

The board may accept on behalf of and for the school district any unrestricted bequest or gift of money or property, and to utilize such money or property so designated as it sees fit.

All gifts shall be given to the school district as a whole, and not to a particular school. At the discretion of the superintendent, the gift may be used in a particular school.

Any bequest or gift made with restrictions must be approved by the voters of the district as required by law.
