

Hello Madison families:

We are hoping that this letter finds you healthy and well during these unprecedented times. We are asking that you take a few minutes to complete the following Remote Learning Survey. This survey asks you to share feedback for each grade level in which you have a child. Also equally important is student input regarding this survey. The survey can be completed in the paper form (enclosed) or accessed on MSAD 59's Remote Learning Hub page. **Parents only need to complete one parent survey per household. Junior high and high school are asked to complete two surveys( one being the student survey) and return to them to the school so that we may gather as much information as possible.**

Our goal is to better understand how remote learning went for your child(ren) and family. We will use this feedback to continue to improve our framework, strengthening our support structures and better our overall communication. This survey information will provide us valuable insight on how to plan for how to best meet our students' needs during this challenging time. Students, we are asking for your specific feedback on remote learning so we better understand what YOU may need in order to proceed.

We are reaching out with this survey to ask for your help in identifying where the needs are regarding internet connectivity and device access in the RSU59 district. We are working with the Maine Department of Education to obtain these devices for some of our students in need. Please fill out the survey below to help us with this process.

There will be two available options to fill out this **MSAD59 Remote Learning Survey**:

1. A paper copy will be part of your student's packet. Please fill out and return with the students other work material on June 5, 2020.
2. A google form of these survey(s) will be on the district's website **MSAD59 Remote Learning Hub**.

**\*\* Junior High and High school students please complete a separate student survey. We value your input as well.**

Thank you,

A handwritten signature in blue ink that reads "Bonnie C. Levesque".

**Bonnie Levesque, Superintendent of Schools**
