

Pesticide Application Notice Template

Dear Parent, Guardian or Staff Member:

I am writing to let you know that a pesticide with the trade name of Lebanon 20-0-5 w/ Acelepryn, and the EPA registration number of 000100-01492-000961, is scheduled to be applied on 4/28/2019 (*date*), at the specific location of high school baseball, softball, football, and track. This is being done to help manage White Grubs, as part of our Integrated Pest Management Program to ensure a healthy school environment. Signs will also be posted at access points and at this central location of high school baseball, softball, football and track at least two working days prior to, and will remain posted for 48 hours after, the application. This notice is being provided at least five days prior to the planned pesticide application in accordance with our school's Integrated Pest Management Policy and in compliance with Maine Board of Pesticides Control Regulation CMR 01-026 Chapter 27.
