Andrew Haynie, *Assistant Principal*

Taylor Brewer, *Director of School Counseling*

3/29/24

Dear Parents/Guardians,

We would like to remind you about our upcoming early release days on Wednesday, April 3rd and Friday, May 24th. On these days, we will be running an early release schedule dismissing students at 12:00. Following the morning classes, students will engage in remote learning in the afternoon from home.

During the remote afternoon sessions, students will have additional work to complete. This will include 30 minutes of extended learning for each of the four courses they attended in the morning for grades 9-12 and 30 minutes of extended learning for social studies, math, english, and science for grades 7-8.

Please note that our staff will be participating in professional development activities during the afternoon on these days. As a result, they may not have immediate access to email. However, they will follow up with students as usual if needed.

If you have any questions or concerns regarding these early release days with remote afternoons, please feel free to reach out to us. Thank you for your understanding and support.

Warm regards,

Jaime Ela
