

Great news!

The Hannaford Supermarket located in **Madison** has chosen **Madison Junior High Food Pantry** as the latest nonprofit to benefit from the *fresh Cookbook* fundraiser! This means for the entire month of **September 2018**, every time the *fresh Cookbook* is purchased at the **Madison** Hannaford, we receive \$5! Cookbooks sell for \$10 each.

Each \$5.00 donation can generate 20+ nutritious meals for children in families that struggle with food insecurity. With your help, we can make a positive impact on hunger in our local communities.

The newly released *fresh Cookbook* contains the best *fresh* Magazine recipes that Hannaford customers have enjoyed for years. These recipes are perfect for everyday cooking and special occasions. The cookbook contains delicious recipes and a little "frosting on the cake" for local communities. Every *fresh Cookbook* purchased will generate a \$5 donation to support the critical work of nonprofit organizations like ours who are working to eliminate childhood hunger and improve child nutrition. And by purchasing the cookbook, you'll receive over \$15 in valuable coupons for products you can find on Hannaford's shelves.

This is truly a great opportunity for us and an easy way for you to show your support for the Madison Junior High School Food Pantry! And remember to spread the word – the more *fresh Cookbooks* purchased, the bigger donation to Madison Junior High School Food Pantry.
